

The secret to delicious baking, every day

Chart your own culinary journey with confidence. The 700 Kitchen Machine makes experimentation effortless. Whip, mix and knead with perfect visibility and control of the process.

Product Benefits & Features

Up to 30% more buns of bread in one batch*

Two generous 6L and 4L bowls let you pick the right size for your batch. Use the 6L bowl to make up to 30%* more buns of bread. Or use both bowls one after the other for different recipes.

*Compated to Electrolux Kitchen Machine (E5KM1-4BPT / HA-3481E) according to internal test (2022)

Up to 20% faster dough mixing

Let your assistant handle the boring part. Planetary mixing action ensures all ingredients are combined thoroughly so that no ingredient is left untouched, resulting up to 20%** faster dough mixing and even, smooth texture.

**Compated to Electrolux Kitchen Machine (E5KM1-4BPT / HA-3481E) according to internal test (2022)

Effortless experimentation with versatile tools and accessories

A vast array of tools and accessories lets you experiment effortlessly. The range includes a dough hook for kneading heavy dough, a whisk for frosting and meringue, a SoftEdgeBeater with integrated silicon spatula, and much more.

PerfectRiseLid™ for perfect proofing

The PerfectRiseLid™ is ideal for dough proofing. It allows the optimal amount of air to circulate, which ensures the right humidity for the dough to rise and prevents the dough surface from getting dry. The result is delicious buns, every day.

Monitor the mix: thoughtful LED light gives complete visibility

A thoughtful LED light is integrated into the KitchenMachine so you can easily monitor the progress of mixing and kneading, even if your kitchen lighting is not ideal.

- 1200 W
- Turbo function
- Two solid bowls med handle included (6 and 4.0/Stainless steel)
- Cord storage
- Dishwasher safe spare parts
- Whisk

Product Specification

Main colour	Dark Red
Accent colour	Stainless Steel
Nordic_FP_Speeds	10+Pulse
Power W	1200
Bowl Capacity 1	6
Bowl Capacity 2	4.0/Stainless steel
Cord length, m	1.2
Recipes	Yes
Product Number Code	910 003 734
Bar code	7332543988792
